Inconsistency Flags

1. [MEDIUM] billing_anomalies

Dates: 2023-04-07 / 2023-04-18 | Pages: 7, 8

Physical therapy billing shows significant variation for similar follow-up visits, ranging from \$175 to \$525 with no clear justification

Recommendation: Request detailed billing records and treatment notes to justify the 200% billing variance for similar PT sessions

2. [LOW] provider_statement_conflicts

Dates: 2023-03-16 / 2023-03-21 | Pages: 2, 3

Radiology report describes 'possible mild' L5 nerve root compression while orthopedic consultation definitively diagnoses L5 radiculopathy

Recommendation: Clarify clinical correlation between imaging findings and clinical diagnosis with treating physician

3. [HIGH] billing_anomalies

Dates: 2023-04-04 / - | Pages: 5

Dr. Ortega procedure on 4/4/23 billed at \$3050 with no clear procedure type specified, significantly higher than consultation fees

Recommendation: Obtain detailed procedure notes and CPT codes to verify appropriateness of \$3050 charge for unspecified procedure

4. [MEDIUM] provider_statement_conflicts

Dates: 2023-04-07 / 2023-04-18 | Pages: 7, 8, 9, 11, 12

Multiple PT visits lack recorded diagnoses while other visits from same provider document specific conditions

Recommendation: Request complete treatment records from PT provider to ensure consistent documentation and billing practices
